Testing Report to Regional Board

April 22, 2007

Examiners and Testing Reps Clinic

Twenty three people attended the examiners clinic at the Manitoba Sport Council building on Sunday April 15, 2007. Many thanks to Val Crowe and Amy Johnson for sharing their extensive knowledge on testing and making the day such a success. We will try and plan another clinic in the fall to review how testing went this year, any areas we could improve on and hopefully see some videos to help our examiners develop an "eye" for testing.

The revised Manitoba Pony Club 2007 Branch Testing Information and Examiners list is now ready and will be handed out at the Regional Meeting. The booklet contains a copy of the various forms needed for a test.

Following is a tentative schedule of testing dates.

Regional Written tests (C2, B & B2):

East: Tuesday – May 8th, 2007 @ 7pm

Location: Deb Moehring's House

63-113 Pineridge Road. Ph: 224-1709

Candidates: Jessica Good, Shannon MacLean

West: Week of May 5 – 13, 2007 (Val Crowe will be contacting Candidates to make arrangements)

Candidates: Leighton Dyck, Cailey Nichols

HA and RA Tests:

Aug 12-15, 2007 – at Birds Hill Park.

Regional C2, B, B2 Practical Test: End of August, beginning of September. I am tentatively looking at the September long weekend, but this will depend on Examiner availability and results of regional written test.

Branch Testing

Please inform me ASAP of testing dates so I can post them on our website. This will give our Junior examiners an opportunity to see if they could possibly "shadow" a test and let other Branches, with possible test candidates, know when tests are available.
