

MPC Membership 2008 Report  
19 April 2008

Total membership is 106 plus 2 new members to input for 108 as of today. There is one inactive member.

There are 4 members without 2008/2008 MHC memberships at this time. The DC's received an email from Crawford Dales indicting those who cannot participate in MPC activities.

I am missing Financial Statements for North Hill, Windy Plains and Red River, plus the Branch renewal for Red River.

Membership by Branch:

Baldur – 14  
Brandon – 22  
Mars Hill – 11  
North Hill – 17 (includes 1 inactive member)  
Portage – 11 (plus 1 new member today) = 12  
Prairie Valley – 6  
Quarry Ridge – 12 (plus 1 new member) = 13  
Red River – 5  
Windy Plains - 6

Parents need to ensure the MHC membership is in place for their children well before the 15 March end date, especially when Regional Quiz is held so close to this date. Excessive time and effort was expended this year to get confirmation of memberships prior to Regional Quiz so that all members who wanted to participate at quiz could.

A policy needs to be implemented so that the MHC memberships are in place well before March annually.
