

PPG Placing 2007

Date: June 23rd, 2007

Host: Friendly Breeze Pony Club

Location: Macmillan Centre, Truro Nova Scotia

Number of teams (5 members per team): Total of 9 teams (6 B's; 1 A; 2 M's)

Clubs participated: 5/10 (Annapolis, Avon, Evangeline, Friendly Breeze, and Opportunity)

Summary:

Many horses arrived the night before to settle in. Some teams took advantage of getting into the indoor ring the night before as this was the first time it was held in an indoor arena.

Due to lack of warm-up area, during the competition schedule adjustments were made; in the afternoon all B's rode the afternoon games in a row then the A's and M's. This made more work for the equipment crew but seemed to allow less waiting time for the ponies and riders for the next heat. Something to look into for 2008 to have the event run smoother for mounts and riders.

Thank you to everyone for helping make the cup run efficiently. Prince Philip Games take a numerous number of volunteers such as line judges, equipment crew, ring steward, timers, starters, score keepers, etc. Everyone did a wonderful job and many people filled in the holes where needed. Thank-you!

To finish off the day, the National A and Master teams were selected, congratulations to all!!!
