

West Valley Pony Club

West Valley finished off the year with an Annual General Meeting on Nov 1. We had our elections and are planning for the New Year.

Our year 2004 was very full with participation in most Pony club activities. The children participated in Quiz, Badge Week end, PPG, Tetrathlon, and Dressage is Fun. We sent a team to the D rally and the C/B rally. Also, members participated in the Opportunity Jumper Show, Apple wood HT, Hobby Horse HT and Red bank Combined Testing. We had a summer cottage party.

This summer most members tested. We had 1 successful B level as well. 30 members attended camp. This was followed by D testing.

We hosted a Quiz in March which was a lot of fun.

Fundraising was only our horseshow, but next year, due to our increased size, we plan to have more fundraising.

We hope to get more involved in the programs over the next year.

The badge program was a success, and badges were passed out at camp, along with a banner for the members to decorate.

We are hopeful that our membership remains steady into the New Year.

Our new executive is Teresa Speelman for 1 more year as DC, Zena Rice as Ass. DC, Marilees Kirby as Treasurer, and Sheila Jacquard as Secretary.

Respectfully Submitted,
Teresa Speelman
