

Tantramar Pony Club Annual Report 2006

The Tantramar Pony Club began the year by meeting once a week for stable management. Though the winter months the club had riding lessons and clinics. For May, the Club held its major fundraiser which was a horse show in Port Elgin, N.B. At the end of June, the Club held a four day camp. Alex Beaton was the coach. During the last day of camp, all went to Strathgartney for a cross country clinic.

Some members went to Strathgartney Summer Horse Trials to qualify for the tetrathlon.

In July two members participated in the ABC Rally as grooms. In August, members went to King City, Ontario for the National Tetrathlon event.

A full team took part in the D Challenge; which included four riders and one coach, this event was held in Windsor. All members enjoyed themselves and placed 3rd overall.

To take advantage of the beginning of fall, the club held a trail ride followed by a pot-luck dinner in appreciation for our stable management coach.

Finally, we had five members test for the following levels: D1, D2 and C. All were successful.
