***NO LATE APPLICATIONS WILL BE ACCEPTED**

Members hoping to test their B2 should let their DC and Branch Test Rep know of their intention as soon as possible. Candidates must read the current *A/B Testing Procedures* as well as the current *A/B TP Requirements*. These documents can be found on the CPC webpage under “Documents > Downloads > testing”.

The B2 test will consist of a written and practical phase:

Written Phase – written regionally at the end of April or beginning of May. The Regional Testing and Education Chair will distribute the written test. Candidates will write their tests supervised by their own Branch DC or Test Rep.

Practical Phase

- Pre-test – A regional clinic for all C2-A candidates will be organised with a National Examiner as clinician. **Attendance is mandatory.** An email will be sent out with dates and details as well as they can be found on the NSPC regional webpage.
 - Candidates are to bring:
 - Their horses (the exception is documented horse illness/injury in which case the candidate is required to audit the clinic)
 - Horse First Aid Box (including bandages and wraps)
 - All other equipment required for the test
 - The Candidate Assistant that they plan to use during the practical test. See CPC Testing Procedures for rules about selecting Assistants (A/B page 52; C/D page 32).
- Regional Testing – Riding and Stable management will take place at a facility in the region approximately 8 weeks after the pre-test evaluation. An email will be sent out with dates and details as soon as they are available. Details will also be posted on the NSPC regional webpage.
