Dear Lender,

Thank you so much for agreeing to loan your horse/pony for our National Dressage Competition.

Without generous horse owners like yourselves, these competitions could not be held.

Please be assured that our members will take good care of your horse/pony while it is in our care. Members from other Regions/Countries who are participating in these Championships have been chosen based on minimum PC level requirements as well as riding ability and experience.

We do not provide life insurance on your horse. However, we do have liability insurance, which will respond if we are responsible for an incident involving your horse. We also require the owner to be a member in good standing with the Ontario Equestrian Federation.

Rest assured that Pony Club will do everything in its power to ensure the safety and well being of both the horses and riders in our competition.

Please complete the attached form to help us ensure the appropriate care of your horse.

The competition is August 12 – 14<sup>th</sup> and is being held at the Ancaster Fairgrounds, 630 Trinity Road, Ancaster Road. Horse matching will commence early on Friday so we ask that the horses be at the Fairgrounds no later than 8am on Friday morning. If you can ship in on Thursday night, that would be best as we have arranged stabling for 3 nights commencing on Thursday. Your horse will be ridden by 3 different riders over the 3 days of competition but 1 of those riders is only to demonstrate their ability and that they are safe, the other 2 are competitors. People will be staying at the fairgrounds overnight to ensure the horse's safety.

Once again, thank you for your extreme generosity in allowing us to use your horse/pony to make this event happen.

Sincerely,

A handwritten signature in black ink that reads 'Sherry Jackson'.
