

Saskatchewan Region Tetrathlon Report

Both Regional Rally & Tetrathlon were held together on May 26-28, 2006 in Saskatoon & Pike Lake. Our region had 6 senior girls and 1 junior girl participate.

We received travel & training grant money from SHF. The travel money is to be used to subsidize the costs of the members who attended National Tetrathlon. The training grant will be used to pay for winter and spring training (swimming, shooting, x-country/jumping clinics) that will be open to all members again. No practices have been organized at this time, but a notice will be sent out to all clubs in the next few months.

Zoe MacDougall from Heartland Pony Club was our only member who ventured out to Western Ontario in August for National Tetrathlon and represented Saskatchewan Region very well. She was placed on a mixed team with other individual girls from Central & Western Ontario. She says she had an awesome experience and plans to rally up some more Saskatchewan members to attend next year's Nationals in Alberta. Zoe will receive some of the grant money to help subsidize her travel costs.

All application, report & receipts have been submitted to the National Chair and Sask region will be receiving another CPC development grant this fall.
