March 2006

- **Tetrathlon- *riding, running, swimming, shooting***
Regional Tetrathlon will be held May 26-28. There has been shooting practices every Tuesday at 6:00 pm at the Wildlife Federation. Some people have started running and swimming. If you are interested in participating in training talk to Taryn Grey (troublejr@hotmail.com). Manitoba will be joining our regional competition so it should be a fun weekend, with new people and a new kind of competition.

- **Discipline Exchanges**
This year new National Exchanges are possible for Pony Clubbers. Show Jumping and Dressage will each have their own National Exchanges. In 2006 Dressage will be in Ontario, and Show Jumping in Alberta. In the competition you ride two borrowed horses. For Dressage there will also be a mystery test to perform. You must qualify at the Regional level to participate at the nationals, and be a least D2 level rider. More information will soon be available, as this is a new activity.

- **Quiz**
Cherry Hill, Kingskettle, and Delisle are hosting regional quiz this year. It will be April 7th-8th in Vanscoy. Sign up as soon as possible. Since Saskatchewan is hosting National Quiz we are hoping to send 2 teams for The C and A/B levels. Start studying now, because there is probably a better chance you will be going to National Quiz this fall!
