

Youth Rep Report

All club youth reps were invited to the three meetings we had throughout the year. Most clubs were represented. Outlines of discussions and upcoming events were made into a newsletter and distributed to club youth reps as well as posted on the regional website. Big thanks to Taryn Grey who has assisted me in being a secretary for our meetings.

Thank you to the Youth reps who assisted the National quiz 2006 decorating committee in preparation of the wheat sheaves (many late evenings!), and set-up for the evening banquet!

Thank you to Sherrill and Carol for putting on a terrific National quiz. Everyone really enjoyed it, especially the pow-wow experience and the prairie fires.

A National youth rep meeting was held during the quiz weekend. Things discussed: - Recognition of volunteers

- Membership decline (why and what to do?)
- Youth rep roles
- Testing issues (Old ladies continue to be on panel!)
- Getting senior members to be on testing panel
 - o Inter-provincial senior pc members on testing panels (i.e. one B2 candidate from AB comes to Sk. to be on testing panel, we send similar candidate over there)
 - o Covering costs?
- National Dressage & Show Jumping Champs
- Future National youth meetings

DC's please elect or re-elect club youth reps ASAP and send me their contacts to tatianag@Sasktel.net or your club will miss out on vital youth information!!!
