

SLOV Regional C and B Rally Hawkridge Farm

Friday, June 27 to Sunday, June 29, 2008

Testing Day (Optional) Monday, June 30, 2008

This is a teaching rally with a Stable Management Competition

(Please note that there are only 24 places available. Participants will be accepted only with completed entries with \$60 deposit or full fee attached. Late entries will be kept on a waiting list in case of cancellations.)

Who may participate?

We recommend that participants have achieved their D2 level and be **strong** candidates for C, or higher. This rally will be good preparation for any candidates attempting their C or higher test this summer or fall. More experienced members with green horses might enjoy this clinic as an introduction to eventing for their mounts. Groups will be made up of approximately 5 members of similar experience. Hawkridge provides a wide variety of jumps of varying sizes and degrees of difficulty. There are 24 stalls available so we may accept 24 riding participants.

Teams and Grooms

Teams will consist of three or four members plus a groom/helper. Grooms will help in the barn, assist with tacking up and oversee the members to ensure safety and fun. Some teams may not have a groom from their own club. Any clubs who have extra interested potential grooms should let us know and we can match them up with other teams who have no grooms. This worked very well in the past.

Chaperones

At least one adult chaperone per team is required. Chaperones should be prepared to sign up for duties such as food prep or helping with various other activities.

Accommodation

Basically, the horses live like kings with luxury accommodation in the stables (2 bags of shavings will be provided). Humans, however, camp out. Sleeping is in tents or trailers of your own. Meals will be provided from Friday dinner to Sunday lunch. Drinks and snacks are available at all times. There are affordable hotels within 10 minutes of Hawkridge for the less hardy (ie grown ups), but pony club rally participants and their chaperones must stay at Hawkridge.

Degree of Difficulty

The focus of the rally is to educate and build confidence. Heights and distances for clinics will be established after consultation with the clinicians to suit the experience and ability of horses and riders.

Activities

Each participant will take part in a mounted course walk and 3 mounted clinics flat, over fences and cross country. In addition, there will be unmounted clinics focussing on topics picked by the clinicians.

Stable Management Competition

Stable management checks will occur throughout the rally focussing on safety, good horse management, organization and cleanliness. Our stable management judge is Cat Hunter. Ribbons to 8th place. Keeper trophies for winning team members. Perpetual trophy for team for year.

Optional Test Day

Any riders wishing to test may stay over to Monday, June 20. Please fill out Test Day Application. Costs is \$20.00 for stabling overnight and a share of the total costs of the facility and testers fees. Riders who have not attended the rally are welcome to test with us.
