

Mini Regional Rally at Rocking Horse Stables - Sept 1, 2002

The first ever mini Regional Rally at Rocking Horse Stables Horse Trials was a big success! Eighteen riders from six different clubs participated in six teams of three. The show secretary designated the teams from clubs with enough entries to make up a team first, then by added in the lone club members. No one knew who was on which team until the ribbons were presented at the end of the day.

The penalty points from each phase of the trials for each team member were added together to come up with the team score. Unfortunately, that meant if a single team member was eliminated, the team was eliminated too.

Thanks to Valerie and all the volunteers, everyone at the horse trials had a wonderful day!
