

Bottle Race

Skills Needed:

Placement, pickup and hand off skills.

Equipment Required:

2 (tables) Rubbermaid garbage pails with a circular board on the end to create a flat surface.

* 2 plastic bottles, (1 litre) weighted with sand

Race Set Up:

Place one upturned garbage pail on the centre line and the other 3 yards (2.7 m.) beyond the change over line. On this there will be a bottle. Rider 1 starts the race behind the Start/Finish line. Riders 2, 3 and 4 start the race behind the 6 yard (5.5 m.) line. Give a bottle to Rider 1.

Game Play:

On the signal to start Rider 1 will ride forward and place it upright on the table on the centre line. He/she will then continue to the far end to pick up the bottle from the table there and return to hand it to Rider 2 on the Start line. Rider 2 will ride forward and place this bottle upright on the table at the far end. He/she will then return to the centre line to pick up the bottle from the table there and hand it to Rider 3 on the Start line. Rider 3 will act in a similar manner to Rider 1 returning to hand the bottle from the far end to Rider 4. Rider 4 will act in a similar manner to Rider 2. The winning team will be the one whose Rider 4 crosses the Finish line first, mounted and carrying the bottle.

General Rules 6 to 10 to apply.
