Member Highlights

One of the best parts of Pony Club is the community. Community is extra important during hard times and so, every month, we'll be highlighting members to keep everyone connected! This month's member is Karlyn, our Thames Valley Youth Rep!

"My name is Karlyn Bouman and I'm 15 years old. I've been in pony club for about 5 years. My favourite part about pony club is the education, meeting new people and trying different things! I have 3 horses and 1 pony. I do anything you can think of with my horses - from dressage and jumping to carriage driving and PPG!"

Thank you, Karlyn! It's so great to have members who are so versatile in many different disciplines!
