Regional Tetrathlon

Kathryn & Sophie after day 1 of Tetrathlon which included Running, Swimming, & Shooting.

Some of the competitors after Day 2 of Tetrathlon which included the Riding events.

Day 1 of Regional Tetrathlon took place on June 6th, 2010. This was held in Orangeville and both Kathryn and Sophie completed the event. First time competitor, Sophie, did extremely well. With only the 4th time ever shooting an air pistol, she ended off the day with 5th place in the senior division. Kathryn ended the day off with 7th place in the senior division but had the highest shooting score among all of the competitors. Day 2 of Regional Tetrathlon took place a week later on June 12th, 2010 and was held at Headwaters in Orton, ON. Kathryn completed the event even though it was a very rainy and wet day. After everyone was wet from the rain, Kathryn finished off with a 4th place ribbon in the senior division and a medal for being the Top Shooter.

Westover Pony Club now has a Facebook group for any senior members and parents.

Spring Testing

Emily & Hannah with Coco.

Holly & Charlie.

Sophie & Meg.

Spring Testing was held on June 1st, 2010 at the Tziougras Farm. Our four new members all completed their riding and stable management portion of their D and/or D1 Levels. The weather was wonderful and everyone had a good time. Congratulations to Emily and Hannah for completing their D Level and Holly and Sophie for completed both D & D1 levels. Everyone passed with flying colors. Thanks to our tester Naomi Krucker and assist Hilary Braniff. Also, thanks to our test rep Jenn for organizing and holding the test at her farm.

On June 20th, Emily got her first 1st place ribbon at the Hamilton Hunt Show. Congratulations Emily!

Westover's Intro to Dressage Clinic

Members going over dressage tests.

Heather leading a dressage test on foot.

On June 8, 2010, Heather Agnew held a Intro to Dressage education session for Westover members. Members learned how to read and understand a dressage test, as well as how to ride the test. Members were able to draw out their tests on paper first then walk them out and get some pointers as to what the judges look for when they ride the test. Thanks to Heather Agnew for organizing this session and Cheryl Gibson for lending us the use of her area.
