To compete **above** Branch level, your child must pass a written, riding and stable management test to demonstrate level of knowledge and skill. The educational aspect of this is covered at the monthly Willow Creek meetings, and on various field trips. The riding knowledge is expected to be acquired through structured riding lessons. Many of our members are students at Kingsmill Equestrian, with Robin Milroy. If your child receives lessons elsewhere, we will gladly provide information on skill expectations to your child's instructor or coach, as many find this helpful in properly preparing your child. Please just ask the DC! We generally plan to test once or twice per year, providing there are children ready. To help us in planning this....

Is your child wanting to compete this year? Yes No If yes, at the branch level? or Regional level?

Present CPC rating level: _____ Level desired to achieve this year: _____ Prefer Spring or Fall test?

I think a Pony Club Members Directory with **name, phone number, email addresses and municipal addresses** of members would be a useful tool in planning Pony Club events and arranging carpools and I acknowledge with my signature below permission for my name to be printed in such a members directory to be made available to **members and executive only** provided it ONLY include the **bold, italicized** listed information. I also agree to keep such information as is provided in a member's directory private.
