

Canadian Pony Club

Membership Information 2017

1. Please use only the CPC membership form for the current year.
2. Make sure the form is fully filled out and signed by the DC, and the parent for members under 18.
3. Mail the original forms to the Regional Membership Chair (RMC), including Regional and National fees, and keep a copy for your records.
4. All forms must be sent to the RMC **within 2 weeks** of being received and signed by the DC.
5. In order to participate in Pony Club activities, a member must also be a member of their PSO. CPC insurance **does not** cover Active and HM Members. All Active and HM members must be insured by being members of the Provincial Equine Sports Organization in the province where they reside.
6. There are two ways to do this. Members may submit their form and fees to the DC for processing or members may provide a copy of their PSO membership card or receipt showing membership fees paid.
7. PSO memberships collected by the DC must be sent to the PSO **within one week**. This is very important as it involves the member's insurance coverage.
8. If all DC's adhere strictly to these deadlines, all members will be properly registered and ready to participate in all PC activities.
9. Each Branch is required to fill out the Annual Branch Report and Charter Renewal immediately following their Branch AGM in the fall or no later than December 31 of 2016.

It is essential that all members have their PSO Membership before participating in Pony Club activities.

Testing Levels

We have many new testing levels. Here is a guide for your use:

Full – means the member has passed all sections of that level.

SM – completed all Stable Management sections at that level

SJ – has completed the Stadium Jumping section (B and above)

FR – has completed the Flat Ride (D2 and above)

Ride – for RA only
